**Jan 12<sup>th</sup>, Mumbai:** The foodies in Mumbai have yet another reason to celebrate! India's leading gourmet chain, Godrej Nature's Basket, treated the city to a memorable new year as it launched its large brand new store on 56 Hill Road, Bandra (next to Elco market) on the 10<sup>th</sup> of this month (Jan, 2013).

This new gourmet destination promises to be a gourmand's delight, offering a magnificent 8000 sq. ft of fine food ingredients from around the world and lots more. While the store, like other Nature's Basket destinations, offers the best of global food ingredients, it has many more surprises in store for its patrons. This food paradise has a dedicated gifting shop, a special section for international confectionery that houses the worlds finest chocolate and confectionery brands, a dedicated section of health foods and boasts of the widest range of cheese and meat products anywhere in the country.

The store also has something special for the aspiring chef with a dedicated section for in-store workshops.

Apart from the endless array of delicious delights at the store, this gourmet landmark has already become the talk of town for its well appointed interiors and ambience which has been developed by the Godrej Natures Basket team in consultation with Fitch, a noted retail design agency from UK.

**Speaking on the occasion, Mohit Khattar, MD, Godrej Nature's Basket, said,** "Nature's Basket is a bridge between world food and its discerning patrons. With our latest store in Bandra, we are demonstrating our resolve to bring not just the finest in world food but also world class shopping experiences for our consumers.

The new Nature' Basket store is located at 56, Hill Road, Bandra and is open to consumers from 8 AM to 10 PM. It offers parking for a few vehicles as well.
