

**It's time to create...experiment and to 'Try something new' @ Godrej Nature's Basket**

*With the new year, step-up your food quotient with the yummy dips & sauces available at Godrej Nature's Basket*

**Mumbai, January, 2012:** Evolution is second nature to mankind as he always looks for better things to enhance his lifestyle. Food was once a basic necessity, no more today. It's an informed choice that people make to get the best of what the various world cuisines have to offer. Godrej Nature's Basket, the friendly food expert, offers these varied food choices and strives to make this New Year even more exciting for the food lovers in Delhi. The world food store brings to you their '**Try something new' range of unique dips and sauces.**

Dips and sauces, an integral food accompaniment was once limited to mayo, cheese and schezwan dips in India; however this segment has evolved internationally over the years. **Godrej Nature's Basket** brings these globally relished dips to you and gives you a reason to enjoy even the most usual snack with an interesting twist added by these dips & sauces. And to help you use these dips and sauces even better the gourmet destination will have the popular food expert **Ritu Dalmia** sharing some secret kitchen tips with their patrons.

Experiment with the **Mediterranean, Oriental & barbeque** sauce that shall add that much required zing to your delicacies. So jazz up your salad with a pinch of **vinaigrette**, surprise your guest with the flavored **barbeque smokey sauce** and dip your starter in that **sundried tomato & cinnamon tagine sauce**. Create your own recipes or simply experiment with the recipe cards available at the store; it is the time to try something with this new range of creamy, tasty & tangy dips brought to you by your friendly food expert – Godrej Nature's Basket.

*Make sure you get your dose of these flavorsome dips & sauces at Godrej Nature's Basket!*

**Your Workshop schedule:**

Godrej Nature's Basket makes sure to innovate with every workshop that they conduct, this time being no different. They shall be conducting the following workshops around the theme of '**Try something new...**' for their range of dips & sauces:
